

The Work Retreat Schedule for the Summer Service Program

About a week before you arrive at Good Works, you will receive by email a first draft of the schedule for your group. This will include notes from the Director of Operations who oversees the Short-Term Missions Program to help you prepare for the week. We consider the schedule a beginning point and usually we make daily adjustments to accommodate the needs of your group and the needs of this ministry. The schedule will get us moving in the right direction. The final schedule for your group will be posted in Hannah House where you will be staying.

Below is an actual schedule from a previous group that came to serve. This will give you an idea of what you can expect when you are with us.
