

Online Giving to Good Works

Good Works is primarily a donor based, 501(c)(3) non-profit ministry. While we continue to prefer gifts in the form of checks, we are aware that more and more people prefer on-line giving. Here are the different ways of online giving currently available to us at Good Works:

Bill Pay through your own bank

Many banks and credit unions offer a bill pay service. This service can be especially helpful for accounts that do not have checks associated with them. You can set this up on your online banking account. Consult directly with *your* bank to make arrangements. After you log in to your bank account, go to the bill pay feature to set up accounts for whom you want to pay.

Your bank can send payments electronically or via a paper check. Donations can be recurring or one time. You can even set reminders for each due date.

Electronic Donation Program through Hocking Valley Bank

This special arrangement with Hocking Valley Bank and Good Works is a good plan if you have a checking account with checks. If you are interested in this program, Good Works can send you a hard copy by mail or email you a copy of the form that must be completed. Automatic transfers can be scheduled. Changes to your giving can be made in writing to Hocking Valley Bank. Email is acceptable as writing. Mailing and contact details are on the form. We have many supporters who currently choose to give in this way. Good Works prefers this option.

PayPal

You can make a donation to Good Works from a US PayPal account at no cost to you, but the receiving organization is charged a fee of 2.9% + \$0.30 per transaction.

Network for Good

If you donate through Network for Good on our website, you can select how often you want to donate, and how much personal information you want to share. You can also donate on behalf of or in memory of another person and are given a chance for us to send a card to the person or their family. A fee of 5% of your donation will be deducted from the total amount you give. You will have the option to add the 5% fee to your gift so that 100% of your donation will go to the charity you selected.
