

ONE-TIME EFFORTS?

Want to help from time to time but can't make a regular commitment right now?

You can:

- Purchase supplies from our needs list or fresh food (milk, lunchmeat, and cheese) for the Timothy House once a week as often as you are able.
- Use your mechanical, carpentry, electrical, plumbing, or computer skills to assist with the maintenance of our properties.
- Volunteer to be “on-call” to offer your plumbing, electrical, carpentry, computer, or graphic design skills on an as-needed basis.
- Promote our needs list it through an organization you are part of.
- Organize a small group to do a food and/or supplies drive for Good Works.
- **Promote** our need for used vehicles in working condition for the Transformation Station among your family and friends.
- **Offer** to make a 20 - 30-minute presentation on a topic of your interest at Friday Night Life or Summer Discovery Club.
- Promote DAY IN THE LIFE, an on-site experience scheduled for Saturday December 7, 2024.
