

**WE are seeking one-time Presenters this summer
for the Good Works Kids Summer Discovery Club!**

Friends,

Good Works will be hosting another year of the Kids Discovery Club for kids K-6th grade at The Plains United Methodist Church starting Monday June 17th and ending Thursday August 1, 2024. The camp begins at 9:00 am and ends at noon (Monday through Thursday) followed by the Summer Lunch.*

Morgan Lanier will be directing Discovery Club again this year.

We are again looking for one-time presenters who would like to share with the kids once this summer:

- Presenters bring a topic they have passion for, knowledge about or experience with and share with the children ages 5-12.
- Presenters arrive at 9:15 am at The Plains United Methodist Church to meet the staff and set up. Presenters would begin their presentation around 9:45 am.
- Presentations vary in length from having the whole group of participants for the entire presentation time (about an hour and 20 mins) or breaking into two groups rotating roughly 40 minutes each. We can be flexible.
- In recent years presenter topics have included: talking about making good choices in relationships, staying active, making, or eating healthy snacks, healthy living, recycling, art, drama, exercise, (someone from the running club came). Last year, an Athens Sheriff came. We had presentations on eye care, animals (one person brought their horses), art and even a drama workshop.

If you would like to offer a presentation one morning this summer, or have questions, contact us at

email@good-works.net

We will connect you to the Good Works staff who oversees the schedule for presenters.

Love is still a verb,

Keith Wasserman
Founder & Executive Director

Morgan Lanier,
Director Summer Kids Discovery Club
740.594.3339

- * We are seeking volunteers to assist with the Summer Lunch (see dates above). A commitment of once a week from 10:00 am to 1:30 pm is best. Email us for more information.
