

Good Works

Teen Agricultural Internship 2025

Monday, June 16 to Friday, August 1

3 days a week

Ages 14-17

<http://good-works.net/internships/teen-agricultural-summer-internship/>

Agriculture:

Learn practical skills for producing food and caring for the soil.
Discuss readings related to agriculture with other interns and staff.

Service:

Start and maintain gardens, alongside Good Works staff and volunteers, to produce healthy food at the homes of our neighbors in Athens County who are aging or have a disability.
Grow in relationship with these neighbors.

Character Development:

Practice leadership skills, work ethic, compassion, and teamwork.

Teen Agricultural interns will receive a stipend of \$500 for the summer. Teens or their families must provide their own transportation to and from the internship.
