# Summer Kids' Discovery Club

For kids to connect, learn, move, and enjoy being outside!

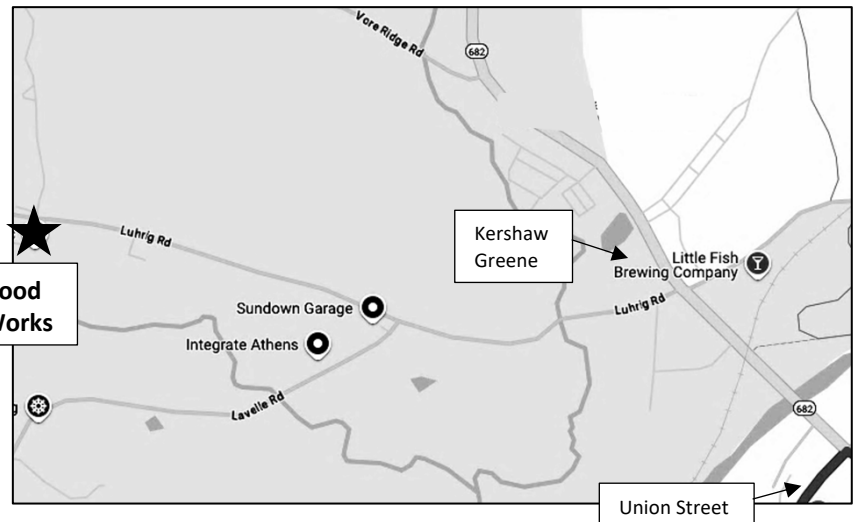

Kids will be engaged in outdoor activities, weather-permitting. Activities revolve around topics such as plants, animals, weather, health, art, and music. Indoor facilities will be used as needed in case of poor weather.

Summer Lunch is included in the program.

**Applications will be available at our Open House and cookout on Monday, June 1 from 5:00-7:00**

You may pick up an application at or after that event.
